THE JOURNEY

Champions aren't just made, they have to earn it. The journey towards being a champion can be grueling. Countless hours are spent building a great team, strategizing and perfecting skills and techniques in order to rise above the competition. In the beginning of the journey, teammates are bonded together by the grind. Through the intense workouts and practices, they begin to support and trust one another. They rely on each other and inspire each other towards a common goal. Then, something special happens during the journey. Teammates become family.

This journey all begins with the uniform. It's the centerpiece of the team's pride. Every athlete gives 110% just for the opportunity to wear the uniform. Fans even wear the uniform in the stands.

Alleson Athletic relentlessly pursues the goal to provide the highest quality uniforms to teams and an unwavering commitment of service and dependability to our customers because we know that without the uniform, there is no journey.

ART & GENERAL INFORMATION

Illustrations shown throughout this catalog are representations of CHROMAGEAR uniforms. Actual designs may vary slightly.

STOCK ART:

All graphic designs shown on garments throughout this catalog are available. If you have a specific layout or concept in mind other than what is shown, please be sure to describe it in detail on the order form. A vast library of art, such as mascots, sport logos, etc., are also available on the Uniform Builder at AllesonAthletic.com or upon request.

CUSTOM ART:

Enjoy the convenience of free custom art with Alleson Athletic!

For the rare occasion a design requires an extensive amount of an artist's time, we reserve the right to request another form of artwork as it may be deemed necessary. If another form of artwork is not available, a \$120.00 per hour charge may apply. Alleson Athletic reserves the right to define complicated art.

We reserve the right to adjust the size of layout/letters to fit the garment in the most attractive way possible. In certain situations, a similar lettering style to the one requested may have to be substituted to accommodate layout.

All orders must be emailed or faxed to an Alleson Athletic Customer Service Representative at: **Email: allesonorders@allesonathletic.com**

Scientifically, it is not possible to achieve a perfect color match from one CHROMAGEAR garment to another, or from CHROMAGEAR garments to Alleson stock garments. Therefore, we cannot guarantee a perfect match from order to order or from one fabric to another. This includes fill-ins for As Had orders.

ARTWORK APPROVAL POLICY:

CARE INSTRUCTIONS

To enhance the appearance and extend the life of your CHROMAGEAR uniforms, Alleson Athletic recommends that you follow these cleaning and storing procedures:

- DO NOT DRY CLEAN**
- DO NOT WASH IN HOT WATER**
- DO NOT USE CHLORINE BLEACH**
- DO NOT USE FABRIC SOFTENER**
- DO NOT WASH WHITES AND COLORS TOGETHER**
- DO NOT OVERLOAD THE WASHING MACHINE**
- DO NOT MACHINE DRY ON HIGH HEAT**
- DO NOT LEAVE WET OR DAMP GARMENTS IN YOUR TRAVEL BAG, IN A PILE WITH OTHER CLOTHING OR IN WASHING MACHINE**

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration. Wash inside out.
- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage and discoloration.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE: Alleson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.

Under no circumstances are CHROMAGEAR garments to be put through a screen print dryer. Dyes will migrate and the design will be ruined.

CHEER MEASURING GUIDELINES

The most accurate way to ensure proper fit is to try on a sample of the garment. We strongly recommend that you purchase a FIT KIT to use when sizing a team. These FIT KITS allow each participant to try on multiple sizes so they can select the skirt or top size that fits them best.

Fit Kit Information & Usage Guidelines
 Fit Kits are the best way to ensure proper fit of Alleson Cheerleading uniforms. Five different Fit Kits are available for our different uniform patterns. Each kit contains one of each size youth and adult garment, respectively. It is important to know what style(s) a customer is looking to purchase BEFORE you do a fitting. The appropriate Fit Kit must be used to ensure accuracy and customer satisfaction. Please contact an Alleson Cheerleading Customer Service Representative for Fit Kit pricing.

If you must measure, please use the following guidelines:
 • Size Charts are technical specs of a garment and are not representative of how a garment will fit on a body. Please keep this in mind when referencing all size charts.

Example: If a cheerleader's chest measurement is 32, she falls at the highest range of an Alleson Small. This means the garment is as wide as the cheerleader's measurement. In most cases, a Medium would be necessary for additional room and proper fit.
DO NOT ALLOW PARTICIPANTS TO TAKE THEIR OWN MEASUREMENTS. Be sure that each individual wears the same undergarments they would normally wear under their uniforms, including Midrifts, Body Suits and Briefs.
 If you fall between two sizes, always order the larger size.
 If your hip measurement is significantly larger than your waist, select the size closest to your hip measurement and adjust the waist if necessary.

FIT KIT CODE	DESCRIPTION	USE WHEN FITTING FOR THE FOLLOWING UNIFORM STYLES:	LIST PRICE

*Fit Kits are non-refundable.

Waist: Stand straight and relaxed with heels together. Measure around the NATURAL waistline, over the body (not over clothing), keeping the tape parallel to the floor. It is critical that you measure the natural waist and not the drop waist. The natural waist is the narrowest part of the waist, between the ribs and the hips. The number of inches shown is the waist measurement.

Hips: Stand straight and relaxed with heels together. Measure around the fullest part of the hips, keeping the tape parallel to the floor. The number of inches shown is the hip measurement.

Chest: Stand straight with arms relaxed and down at sides. Measure around the fullest part of the bust/chest, keeping tape parallel to the floor. The number of inches shown is the chest measurement.

UNIFORM CARE INSTRUCTIONS

To enhance the appearance and extend the life of your uniforms, Alleson Athletic recommends that you follow these cleaning and storing procedures:

Do Not Dry Clean

Do Not Wash in Hot Water

Do Not Use Chlorine Bleach

Do Not Use Fabric Softener

Do Not Wash Whites and Colors Together

Do Not Overload the Washing Machine

Do Not Machine Dry on High

Do Not Leave Wet or Damp Garments in Your Travel Bag, in a Pile With Other Clothing or in Washing Machine

- Uniforms should always be laundered immediately after wearing. However, if this is not possible, rinse garments and hang individually on rust-proof hangers. (Moisture may cause color migration of acid dyes so we advise separating wet or damp uniforms.)
- Belts and any other contrasting color items should be washed separately from the garment.
- It is always advisable to test wash a single uniform according to directions before washing an entire load.
- We recommend presoaking heavily soiled garments in cold water with a protein release agent. Follow the instructions recommended by the presoak manufacturer. Wash garments immediately following the presoak in a normal wash cycle.
- Wash and rinse all garments in cold water with mild detergent. Remove promptly after wash cycle to avoid color migration.
- For optimum results, hang garments (especially those with spandex) to dry. If you cannot hang dry, machine dry on the lowest setting. Turn jerseys inside out before machine drying. Remove items from dryer immediately upon completion of the cycle. (Excessive heat can cause fabric shrinkage, discoloration, and cracking and peeling of vinyl plastisol lettering inks.)
- Make sure uniforms are completely dry before storing. Store in a dry area to prevent mildew. Protect them from sunlight and fluorescent light to prevent yellowing.

PLEASE NOTE: Alleson Athletic will not be responsible for uniforms that are damaged due to improper care and maintenance. Failure to follow our specified care instructions will void all guarantees.

GUARANTEE:

The materials and workmanship of our garments are guaranteed when given fair treatment and used under normal conditions. See care instructions on page 168 for details.

COLOR MATCHING:

Scientifically, it is not possible to achieve a perfect color match from one CHROMAGEAR garment to another, or from CHROMAGEAR garments to Alleson stock garments. Therefore, we cannot guarantee a perfect match from order to order or from one fabric to another. This includes fill-ins for As Had orders.

PRICE POLICY:

All catalog prices are list or suggested retail. Prices are subject to change without notice. Merchandise will be invoiced based on the prices in effect at the time the order is placed.

TERMS:

Prices are FOB shipping point. Payment is due Net 30.

DECORATED ORDERS FOR COD SHIPMENT:

A 100% deposit is required on all decorated orders calling for COD shipment.

DELIVERY:

Shipments will always be made by the fastest, least expensive means possible. The customer will assume any additional expense required to expedite delivery.

MINIMUM ANNUAL BUSINESS:

Accounts that buy less than \$1,000.00 of merchandise during the fiscal year (ending June 30) will automatically be reviewed for closure.

ORDER CANCELLATIONS:

Cancellations must be received at least one day prior to the ship date. Special order garments cannot be cancelled after they have been cut. Lettered garments cannot be cancelled after they have been printed or sewn.

RETURNS:

Claims must be reported to our office within 10 working days of merchandise receipt. Returns cannot be made after 30 days of the invoice date. All returns for stock merchandise must be clearly marked with an authorization number or label obtained from our office. When requesting an authorization label, the following information is required: Reason for return: Invoice #, Style #, Color, Size/Quantity. An authorization label will then be sent to you to prepare the merchandise for return shipment. We reserve the right to repair, replace or issue credit for any merchandise returned. A 15% restocking fee and shipping charges will be charged for merchandise returned that is either not damaged or the damage is determined not to be our fault. All worn garments must be properly laundered prior to return or they will not be accepted. Custom and custom-stock uniforms may not be returned under any circumstances if delivered properly.

SHORTAGES:

All claims must be made within 10 days of the invoice date.

NEW ACCOUNTS:

All new accounts must be opened through your local sales representative. New accounts that do not have a Dunn and Bradstreet rating will be shipped COD until a credit line has been established.

SAMPLES:

Samples will be entered and billed as a regular order. Samples cannot be returned without prior approval from our office.

DECORATED ORDERS:

All decorated orders can be submitted via the Uniform Builder, mailed in or faxed in with detailed instructions. Decorated orders will not be taken by phone. Once garments have been lettered, the order cannot be cancelled or returned.

Alleson Athletic will not be responsible for any items not checked for order accuracy or sizing before being decorated. We will not be responsible for shrinkage, defects, or damages caused during the printing of our garments by sources other than our own lettering department.

THE JOURNEY

Champions aren't just made, they have to earn it.

The journey towards being a champion can be grueling. Countless hours are spent building a great team, strategizing and perfecting skills and techniques in order to rise above the competition. In the beginning of the journey, teammates are bonded together by the grind. Through the intense workouts and practices, they begin to support and trust one another. They rely on each other and inspire each other towards a common goal. Then, something special happens during the journey. Teammates become family.

This journey all begins with the uniform. It's the centerpiece of the team's pride. Every athlete gives 110% just for the opportunity to wear the uniform. Fans even wear the uniform in the stands.

Alleson Athletic relentlessly pursues the goal to provide the highest quality uniforms to teams and an unwavering commitment of service and dependability to our customers because we know that without the uniform, there is no journey.
